ACCREDITED COURSES

Facilitator

SKU: ACC0101-O

Facilitate learning using a variety of given methodologies.

US 117871 | NQF Level 5 | 10 Credits | 15 SACE PD points

Dates:
1 – 3 April 2025
7 – 9 July 2025
6 – 8 October 2025

Duration: 3 days
Time: 08:00 – 16:00
Cost: R3 132

Register here

Assessor

SKU: ACC0100-O

Conduct outcomes-based assessment.

US 115753 | NQF Level 5 | 15 Credits | 15 SACE PD points

Dates:
1 – 4 April 2025
1 – 4 July 2025
6 – 9 October 2025

Duration: 4 days
Time: 08:00 – 16:00
Cost: R4 212

Register here

Moderator

SKU: ACC0102-O

Conduct moderation of outcomes-based assessment.

US 115759 | NQF Level 6 | 10 Credits | 15 SACE PD points

Dates:
1 – 4 April 2025
14 – 17 July 2025
6 – 9 October 2025

Duration: 4 days
Time: 08:00 – 16:00
Cost: R4 212

REIMAGINE TEACHING! WORKSHOPS AND COURSES

Ready to elevate your expertise, accelerate your career and immerse yourself in cutting-edge skills? Discover our Reimagine Teaching Workshops – your gateway to transformative professional growth! Designed to empower you in today's dynamic educational landscape, these workshops will equip you with fresh insights and innovative strategies. Join us to unlock the future of teaching, connect with fellow educators and spark inspiration for the next generation of learners.

Artificial intelligence in the classroom

SKU: DIG0448-O

Embark on an educational journey into the future with our workshop on "Artificial Intelligence in the Classroom". Discover how AI can revolutionise teaching and learning experiences, offering innovative tools and personalised approaches to cater to diverse student needs. Gain hands-on experience with AI applications, learn ethical considerations, and leave empowered to integrate cutting-edge technology into your classroom for a more engaging and tailored educational experience.

Date: 4 March 2025
Time: 14:00 – 16:00
Cost: R325 per person per workshop

Register here

Brilliant classroom management strategies

SKU: SCM0524-O

Join us for an empowering workshop tailored to teachers seeking to enhance their classroom management skills. In this dynamic session, participants will discover the brilliant strategies and techniques designed to create a positive and productive learning environment. This workshop will equip you with practical tools and insights to handle any classroom challenge with confidence.

Date: 11 March 2025
Time: 14:00 – 16:00
Cost: R325 per person per workshop

Register here

Computational thinking in coding and robotics (FP)

SKU: DIG0414-O

Computational thinking is one of the methodologies used to deliver the coding and robotics curriculum content and involves the steps that come before programming and coding. It is the process of breaking down a problem into simple enough steps that even a computer would understand.

Date: 12 March 2025
Time: 14:00 – 16:00
Cost: R325 per person per workshop

Register here

Formative assessment IP, SP, FET

SKU: ASE0250-O

Maximise learner growth with our "Formative assessment" workshop! Explore effective techniques to determine learning progress in real-time. Essential for educators aiming to improve learner success. Join us to revolutionise your approach to assessment!

Date: 13 March 2025
Time: 14:00 – 16:00
Cost: R325 per person per workshop

Register here

Autism: The hidden disability that is already in your classroom

SKU: INC0305-O

Autism is a pervasive development disability, referred to as Autistic Spectrum Disorder (ASD). People with autism have difficulties in areas such as communication, social interaction, flexible thinking and sensory processing. Let us equip you to support high-functioning autism learners.

Date: 18 March 2025
Time: 14:00 – 16:00
Cost: R325 per person per workshop

Register here

High level competencies in coding in robotics (FP)

In the evolving fields of coding and robotics, mastering key competencies is essential for learners to thrive in the digital age. This workshop focuses on three main areas: coding, robotics, and digital concepts. Each area presents foundational skills and knowledge, equipping learners with the core competencies needed for future success.

Date: 25 March 2025
Time: 14:00 – 16:00
Cost: R325 per person per workshop

AI: How to make your school policy

SKU: DIG0451-O

AI is here to stay, and schools must be prepared. But how do we harness its potential while protecting our learners and maintaining academic integrity? This hands-on workshop will equip teachers and school leaders with the knowledge and tools to develop an AI policy that ensures ethical, safe and effective use of AI in the classroom. Together, we'll navigate the challenges, define responsible AI use, and empower your school community to embrace AI with confidence.

Date: 14 April 2025
Time: 14:00 – 16:00
Cost: R325 per person per workshop

Own the room: Building confidence and teacher presence

SKU: SCM0544-O

This workshop is a must-attend for teachers looking to command respect, engage learners, and create a positive classroom environment. Every teacher has a voice worth hearing, but not all know how to use it effectively. This session equips teachers with techniques to project confidence, strategies for using body language and vocal variety, and tools to command attention without raising their voice. Whether you're a new teacher building confidence or an experienced teacher refining your presence, this workshop will help you own the room with ease.

Date: 7 May 2025
Time: 14:00 – 16:00
Cost: R325 per person per workshop

Register here

Teaching like a pro: Engaging every learner

SKU: SCM0545-O

This workshop is designed for teachers who want to move beyond traditional teaching and create a dynamic, learner-centred classroom. Every learner has the potential to thrive – if we teach in ways that truly engage them. This workshop provides practical techniques to boost participation, apply differentiation effectively, and ensure no learner is left behind. Whether you're a new or an experienced teacher, you will gain the confidence and strategies to teach smarter, not harder. Join us and discover how to engage every learner like a pro!

Date: 13 May 2025
Time: 14:00 – 16:00
Cost: R325 per person per workshop

Surviving and thriving in the school system

SKU: SCM0537-O

New to the school system? Feeling overwhelmed? You are not alone! This workshop is your survival guide to navigating school culture, fitting into the team, and thriving in your role. Let us turn confusion into confidence together.

Date: 29 July 2025
Time: 14:00 – 16:00
Cost: R325 per person per workshop

Register here

Teaching, learning, and assessing on different cognitive levels

SKU: ASE0202-O

This workshop provides a refreshing look at Bloom's and Barrett's Taxonomies where the emphasis is on asking quality questions and developing quality assessments.

Date: 5 August 2025
Time: 14:00 – 16:00
Cost: R325 per person per workshop

Register here

Emotional intelligence for school leaders

SKU: SCM0538-O

Great leaders do not just manage tasks – they manage emotions. Learn how to lead with empathy, stay calm under pressure, and build strong relationships.

Date: 5 August 2025
Time: 14:00 – 16:00
Cost: R325 per person per workshop

Register here

Mathematical Taxonomy for assessment (SP & FET)

SKU: MAT2012-O

Learn better ways to check how well learners understand mathematics in our workshop on Mathematical Taxonomy for assessment. We'll show you practical methods to see how learners think and solve problems. Discover useful tools to make sure assessments really understand what learners know about mathematics.

Date: 12 August 2025
Time: 14:00 – 16:00
Cost: R325 per person per workshop

Register here

From teacher to performer

SKU: SCM0539-O

Teaching is more than delivering content – it is a performance! Learn how to captivate your learners using storytelling, humour, and theatrical techniques. Whether you are a natural entertainer or a quiet introvert, this workshop will help you 'own the stage' and keep learners hooked!

Date: 14 August 2025
Time: 14:00 – 16:00
Cost: R325 per person per workshop

The power of influence: Leading without the title

SKU: SCM0542-O

Leadership is not about a title – it is about influence. As a deputy principal, you have the power to shape school culture, drive change, and inspire staff. Learn how to command respect, lead with confidence, and make a lasting impact—even when you are not the final decision-maker.

Date: 2 September 2025
Time: 14:00 – 16:00
Cost: R325 per person per workshop

Register here

Mastering conflict: Difficult conversations made easy

SKU: SCM0543-O

Tough conversations do not have to be stressful. Whether it is dealing with an underperforming teacher, a frustrated parent, or a tense staffroom, this session will equip you with the tools to manage conflict with confidence and diplomacy.

Date: 9 September 2025
Time: 14:00 – 16:00
Cost: R325 per person per workshop
