FREE WEBINARS

Group guided reading

Group guided reading is an ability-group reading strategy to provide support to a small group of learners in order to develop comprehension and word attack skills.

Date: 11 May 2022

Time: 14:30 – 15:30

Cost: Free

[Register here](#)

Shared reading

Shared reading helps to develop reading skills and encourage a love for reading. Shared reading is a strategy that is usually done with the whole class to create a supportive learning environment.

Date: 9 June 2022

Time: 14:30 – 15:30

Cost: Free

Staff morale and teacher support

When a critical incident such as the Covid pandemic occurs in a community, the school has an inevitable and important role in supporting the mental health of their teachers and learners. Attend this exciting webinar to learn how to “read the warning signs” and develop an empathetic approach by exploring coping mechanisms and strategies relevant to the school’s unique context.

Date: 28 July 2022

Time: 14:30 – 15:30

Cost: Free

PAID ONLINE WORKSHOPS

(Be in the know – learn and grow!)

Assessment in Grade R Part 2 (Languages)

Assessment is necessary to make the decisions that influence a learner's progress. It should therefore be viewed as a fundamental practice that happens naturally in the teaching and learning of language.

Date: 5 May 2022

Time: 14:00 – 16:00

Cost: R250

[Register here](#)

Reading barriers

If a learner has not mastered the skill of reading, it will impact their entire life, and their time at school will be frustrating and difficult. This workshop focuses on strategies that teachers can use to help learners with barriers to learning so as to master and improve their reading and comprehension skills. This will then develop skills that are needed to study and read for understanding.

Date: 18 May 2022

Time: 14:00 – 16:00

Cost: R250

[Register here](#)

Assessment in Grade R Part 3 (Maths)

Assessment is necessary to make the decisions that influence a learner's progress. It should therefore be viewed as a fundamental practice that happens naturally in the mathematics teaching and learning process.

Date: 24 May 2022

Time: 14:00 – 16:00

Cost: R250

Effective support of high-functioning Autism Spectrum Disorder (ASD) learners in mainstream schools

Autism is a pervasive development disability, often referred to as Autistic Spectrum Disorder (ASD). People with autism have difficulties in areas such as communication, social interaction, flexible thinking and sensory processing. Let us equip you to support high-functioning autism learners.

Date: 1 June 2022

Time: 14:00 – 16:00

Cost: R250

[Register here](#)

Teaching ages birth to four

Caregivers are guided through the South African National Curriculum Framework for children from birth to the age of four. The workshop provides insight and activities which will address Early Learning Development Areas (ELDAs).

Dates:

PART 1: 6 June 2022

PART 2: 8 June 2022

Time: 14:00 – 16:00

Cost: R490

[Register here](#)

Assessment in Grade R Part 4 (Life Skills)

Assessment is necessary to make the decisions that influence a learner's progress. It should therefore be viewed as a fundamental practice that happens naturally in the teaching and learning of life skills.

Date: 14 June 2022

Time: 14:00 – 16:00

Cost: R250

Coding and robotics week

Coding and robotics is the talk of the town. Let us take you on a journey of exploration to find out more about this exciting topic. Learn more about the latest curriculum and how to effectively teach your learners. We have workshops ranging from ECD and Grade R to the Foundation, Intermediate and Senior Phases.

Topic: Computational thinking in Coding and robotics

Dates:

25 July 2022 – ECD & Grade R

26 July 2022 – Foundation Phase

27 July 2022 – Intermediate Phase

28 July 2022 – Senior Phase

Time: 14:00 – 16:00

Cost: R250

[Register here](#)

eClassroom management and eResource management

This workshop teaches you to effectively manage a fully-integrated eLearning environment, and manage your digital resources including software and apps.

Date: 1 August 2022

Time: 14:00 – 16:00

Cost: R250

[Register here](#)

eLesson planning

This workshop focuses on how to plan an eLesson for your digital classroom. Interact with online tools to assist in planning a lesson.

Date: 25 August 2022

Time: 14:00 – 16:00

Cost: R250

ACCREDITED COURSES

*(Train your way to success with
MTC's accredited courses)*

Below are the scheduled dates for the 2022 online courses. You can arrange **in-house** training (online or face-to-face) on any dates if you have a group of 10 or more delegates.

Assessor

(Conduct outcomes-based assessment)

US 115753 | NQF Level 5 | 15 Credits | 10 SACE PD points

Dates:

4 – 8 July

3 – 7 October

Duration: 5 days (including portfolio support)

Cost: R3 950

[Register here](#)

Moderator

(Conduct moderation of outcomes-based assessment)

US 115759 | NQF Level 6 | 10 Credits | 10 SACE PD points

Dates:

4 – 7 July

3 – 6 October

15, 22, 29 October & 5 November

Duration: 4 days (including portfolio support)

Cost: R3 750

[Register here](#)

Facilitator

(Facilitate learning using a variety of given methodologies)

US 117871 | NQF Level 5 | 10 Credits

Dates:

11 – 14 July

15, 22, 29 October, 5 November

Duration: 4 days (including portfolio support)

Cost: R3 550

[Register here](#)

Implement an inclusive learning programme using differentiated techniques

US 252493 | NQF Level 5 | 15 Credits | 15 SACE PD points

Dates: 27 – 30 June

Duration: 4 days (including portfolio support)

Cost: R3 750

[Register here](#)

Write and present for a wide range of purposes, audiences and contexts

US 115790 | NQF Level 5 | 5 Credits

Dates: 28 – 29 June

Duration: 2 days (including portfolio support)

Cost: R3 150
