## The Daily Programme

It is a programme that is carefully tailored to balance periods of structured learning with creative activities, ring time and free play.

### Available for the following groups:

- 0–18 months
- 18–39 months
- 3–4 years
- Grade R

### How to use the Daily Programme Cards in your classroom

- Display the cards on a wall in a straight line from left to right.
- It acts as a timetable. Use a little arrow that children can place on the different cards as they move through the programme during the day.

### It helps the children to:

- know what is happening now and what comes next
- feel in control of their environment
- feel safe, secure and comfortable
- know how to do an activity or task
- engage in learning
- follow routines, demonstrate emerging independence, and adjust to change more easily
